

Getting Started in Bitrix: Quick Overview

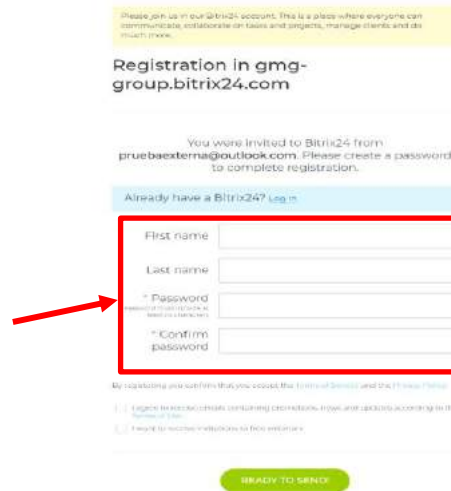

Find below a quick overview of the first steps you will need to follow to access the GMG Bitrix site, create your account, and start collaborating across GMG!

STEP 1: Check your email account for a new Bitrix invitation email to join the GMG Bitrix platform.

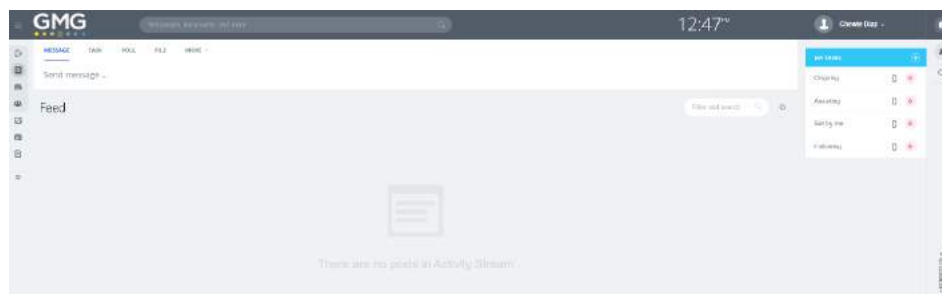

STEP 2: Accept the invitation by following the green link that appears on the body of the email.

STEP 3: You will now be asked to register in the GMG Bitrix site by creating a password and filling out your name and last name to complete registration. After you finish, click the Ready To Send button.

STEP 4: You are now set and ready to start collaborating in Bitrix! This is how your site is going to look like:

Quick note: Now that your Bitrix account is set up and ready to go, next time you want to log in visit <https://gmg-group.bitrix24.com/kb/> and enter your email address and password information. We encourage you to bookmark the Bitrix GMG site to enable quick access in the future.
